

Fair Play Agreement

Athlete:

I _____

Agree To:

Always play by the rules.
Never argue with an official. When a call is questioned, I will let the coach or team captain handle it.

Remember that I'm playing because I enjoy the activity. Winning is fun, but so are many other things about the sport.

Work at achieving my personal best and not to get discouraged if it's not the best. There will always be better and lesser players than me.

Show appreciation for good players and good plays even by opponents.

Control my temper and not be a show-off.

Play fairly at all times.

Parent/Guardian:

I/we _____

Agree To:

Remember that children should always play for *their* fun.

Teach my children that an honest effort is as important as winning.

Provide plenty of encouragement because that's the best way to help them learn.

Teach my children that rules are necessary for the game and that officials have the job of interpreting and applying the rules.

Encourage all efforts to take unfair play out of the game.

Applaud the value and effort of volunteer coaches and officials.

Remember that children only learn what we teach them and that fair play starts at home.
