- ** Make sure awards include the full name including the person being recognized by the award (ie. Dave Denine Unsung Hero Award + Team Name)

To assist with the selection of award winners, it was felt that a clearly defined criteria was needed. This criteria will focus on two areas: 'general criteria' will outline what is expected in order for a player to be considered for any award; and 'award specific criteria' outlines what we should look for in a player who deserves each specific award.

This criteria does not apply to participation type awards and certificates.(ie. Medals of Participation)

General Award Criteria

For any hockey player to be considered or selected for an award (excluding participation awards) they must meet **all** of the following criteria.

1. Player is in 'good standing' with MPMHA.
2. 75% attendance to practices. (exclude sickness & injury)
3. 90% attendance to regular season games. (exclude sickness, injury, work(U18) and Tournaments)
4. Has not been suspended during the season for 'abuse of an official'.
5. Has not been written up (documented) for abuse of coaches, players or parents.
6. Has not been suspended during the season by MPMHA for behavior reasons.

Coaches are asked to solicit feedback from parents when determining team awards. This feedback should be considered when selecting award winners but would not be the determining factor. Coaching Staff will have the final say.

Considering the number of eligible candidates and in the spirit of 'fairness'. **No** player should receive more than one award. This obviously excludes participation type medals and certificates.

Specific Award Criteria

ESSO Awards:(All MPMHA teams excluding U7IP, U9 Hockey & Girls U9 Hockey as per Hockey Canada rule that these three Divisions emphasize FUN ONLY, and no awards specified.

The following 3 achievement awards (medal and certificate as provided by ESSO) will be presented to 3 players from each House League and All-Star teams within MPMHA.

1. **Most Improved:** This player showed the most improvement throughout the season. Every time they step on the ice they work hard to improve their skills and to make themselves better team members. They had a great work ethic, great attitude, and became a role model for teammates to follow. They always showed a 'never give up' attitude.
2. **Most Sportsmanlike:** This award recognizes the person that displays positive conduct and attitude on and off the ice, works hard in practices and games, rarely penalizes, is concerned for everyone around them (on both teams), can handle winning and more importantly losing. They are also respectful towards players and officials, supportive of others especially when making mistakes, and have fun but also compete when required.
3. **Most Dedicated:** This award goes to a player who shows spirit, sportsmanship and tireless effort and dedication no matter if winning or losing. They would be someone that every coach would like on their team due to their level of commitment, as well as their willingness to learn.

Coaches and managers are asked to solicit feedback from the parents and submit a name of one player for each award on their team who is deserving of these awards.

The player that best displays dedication, sportsmanship, enthusiasm and a genuine love for the game of hockey. This is not solely intended for the player who normally stands out on a team by scoring all the goals and making all the big plays. Coaching Staff of the Year Award: (One for House League and All-Star)

This award is presented on an annual basis to a MPMHA Coaching staff that has shown not only "hockey knowledge" also "people Skills". This staff will have demonstrated respect and leadership towards children and adults of the game, be it parents, co-coaches or officials.

Our children come into hockey at the beginning of each season with enthusiasm, different attitudes and various levels of skills. Therefore our coaches and in particular Coaching Staff of the Year nominees, would have demonstrated patience in allowing for individual differences. They would be a role model on and off the ice while motivating and encouraging the growth of hockey's younger enthusiasts.

Things that should be considered (but not limited to) is that the coaching staff:

1. Represents values, goals and objectives of MPMHA,
2. Continuously shows respect for players, officials, opponents and parents,
3. Treats everyone fairly and promotes fair play,
4. Demonstrates concern for all-around development of the athlete and promotes responsible conduct even beyond the rink,
5. Presents a positive public image of coaching and the role of the coach,
6. Applies relevant training theory and coaching practices,
7. Demonstrates a proven capacity to improve the team's or athlete's performance,
8. Certified in at least one level of the National Coaching Certification Program. (includes U7IP)

Parents, players or parent representatives are asked to submit names of coaches who would be deserving of this award, and provide a written explanation as to why the coaching staff is being nominated and how they worked to satisfy the above criteria.

Albert Clarke Parent Volunteer of the Year Award:

They dedicate the time and energy towards making the hockey season a positive experience for everyone around them. This person will demonstrate respect and leadership of not only children but also adults of the game, be it parents, co-coaches or officials.

Coaching staff should consider the numerous volunteers involved with their teams and identify one that goes well beyond the call of duty and demonstrates the following;

1. Demonstrates exceptional "organizational" and "planning" skills.
2. Has a positive impact on their respective team.
3. Shows respect for players, coaches, officials, opponents and other parents.

5. Plays an active role at team events and is viewed as being more than a "typical" hockey parent?guardian.

Coaching staff(s) are asked to solicit feedback from parents and submit names of volunteers who would be deserving of this award, and provide a brief written explanation as to why the person is being nominated.

This is a great accomplishment considering he had no child in the system for many of these years.

As a tribute to Doug's dedication this award will be presented to a volunteer within MPMHA that does not have a child in the system.

Keith Hendry Initiation Program U7 Coach of the Year Award

This award was established by Mount Pearl Minor Hockey Association in conjunction with the family of Keith Hendry, April 2019.

Tragically on November 10, 2018, Keith was killed in a hunting accident in Terra Nova. Keith was a former player, dedicated hockey dad and IP coach. Keith loved the game of hockey and was so proud to finally have the opportunity to coach his son Clark. Keith was passionate and brought his fun loving personality to coaching. He was an encouraging coach who was respected by the hockey community. Keith also loved having his step son Jack on the ice with him as a junior coach. Keith was a guiding force behind Jack and Clark's love for the game.

This award is to honor a coach who has demonstrated a sound ability to develop and improve player performance throughout the year through promoting fun, fairness, participation, respect and upholding the rules, values and goals of MPMHA. This coach would be someone who is passionate about the game of hockey and player development, while always keeping fun and fairness in mind.

Crystal O'Keefe Memorial Award

Female Provincial Team MVP:

The Crystal O'Keefe Memorial Award is awarded to a player in each of the Girls U11, U13, U15 and U18 MPMHA provincial teams. This award is given to the player on each team who the team representatives feel has had the greatest impact on the team, both on and off the ice in a positive way. Dedication to her team, putting her teammates and coaches first, displaying a solid work ethic and playing the game with respect. Crystal possessed aloof these qualities during her hockey career.

Crystal was a humble and talented individual that supported and paved the way for many young female hockey players. One of her former teammates had this to say about her." As a new player, Crystal always made me and others feel welcomed on the ice. Regardless of the fact that she was, most times, the most talented player on the ice. She certainly had a way of making us feel included, like we deserved to be there"

To nominate a player for your team please submit your nomination in a form letter to the MPMHA Female Director or email to administrator@mountpearlblades.com
