

Dear Members,

We hope you and your families have been doing well during these times. While on ice hockey may have ceased in mid March, your association has been hard at work to ensure that we are ready for the 2020 – 2021 season. Please note this season will not look like any other season but we are happy to say that our players will be back on the ice in some form this fall.

We wanted to provide you with an update on some items that are currently being worked on behind the scenes. We will do our best to keep you informed each step of the way.

Please enjoy the rest of your summer, stay safe and we look forward to seeing you at the rink this fall.

MPMHA Board of Directors.

### **Return to Play**

MPMHA is currently working with the City of Mount Pearl and Hockey Newfoundland and Labrador to have a plan for our upcoming season. We have a draft completed and once it has been approved by the appropriate channels, we will make it public to our association.

### **Jerseys/Refunds (last season)**

We have refunds for last season calculated for all divisions, cheques are ready to be sent out. We will mail your refund cheque to you when we have received your players jersey from last season. You may drop the jersey off in the bins located outside of the Glacier (9:00 – 4:00, Monday to Friday). Please wash jersey, remove name bar, place in bag with players name and team name, also please include a mailing address for the cheque to be sent to. Any questions regarding refunds can be directed to Karen Barnes at [mtpearlblades@gmail.com](mailto:mtpearlblades@gmail.com).

### **Registration**

Once we have our return to play plan approved, we will provide more information on registration (when, how and the price) for the upcoming season.

### **AGM**

Our AGM was scheduled for the end of May but because of Covid-19 we have not been able to proceed with this meeting. We have decided to have our AGM virtually through Zoom (Sunday September 13, 2020), please stay tuned to Facebook and our website for further information about how to register to attend, constitutional amendments, available board positions.

### **Technical Director**

MPMHA has hired a new technical director for the association. We are happy to say that we had many qualified applicants for our position. From the process we have hired, Trevor Budgell to work with our players and coaches. Welcome aboard Trevor! We would like to thank Ed O'Brien and Dave Burry for their many years of contributions to our association.
